...designed for a lifetime of enjoyment.

Velarium slide-out topper awnings are a complete kit to replace all exterior components of an existing slide out topper: fabric, roll, and mounting hardware. Velarium slide out topper awnings are designed with a long, worry-free life in mind. Made with premium 13.5 oz, 3-ply vinyl that is 20% tougher than standard competitive fabric, Velarium materials are cold-crack and mildew resistant.

Velarium Slide-Out Topper Awnings are designed to be a direct-fit replacement for comparable Carefree, Dometic or Solera products, and are available in 22 sizes to meet nearly any need.
